BILLING POLICY

You First Dental Billing Policy

We offer two different options in which your dental treatment can be paid. Please choose one of the following options.

Option 1

You may pay in full at the time of service, after which we will submit your dental claim on your behalf and have the insurance company issue the cheque directly to you.

Option 2

Direct Billing form YouFirst Dental. Assignment of Benefits from your insurance company will require a valid card number to be left on file.

Please note: You will receive notification for any balances exceeding \$100.00. As dental care providers, our relationship is with you, not your insurance company. As a courtesy, we will file insurance claims for our patients, but all charges are your responsibility from the date services are provided.

What is Assignment of Dental Benefits?

The insurance payment is directed to the dental office.
